

**St John XXIII**  
**Procedures for the celebration of Mass outdoors**  
**Beginning Nov 15, 2020, 9:30am only**  
**(as weather permits)**

1. Parishioners may join us through the radio from your car on FM 88.1, take a chair from the rack and find a place in set areas or bring your own chair and sit in designated areas in front of the church.
2. There is one entrance and one exit into and out of the parking lot. All traffic must enter through the North driveway and exit through the South driveway. Traffic will be directed by the Knights of Columbus and Ushers. We ask for your cooperation and understanding in allowing the Knights to direct you.
3. Audio for the Mass will be transmitted over the radio on FM 88.1. The channel for the radio will be publicized on our website and in front of the church.
4. Holy Communion will be distributed at the END of Mass (after the Final Blessing) and individuals will be directed by the Ushers.
5. Chairs are available for those who want to sit near the altar with face masks and proper distancing.
6. Those in Chairs will receive Holy Communion first.
7. Individuals in their vehicles will receive Holy Communion in their vehicle; a minister will come to your vehicle and distribute to you and your family. Please be patient and remain in your vehicle until the minister comes to you.
8. After all have received Holy Communion, cars will be guided to exit in an orderly fashion by the Knights. Please remain parked until you have been directed to leave

Thank you for your cooperation and patience in implementing these new procedures.

Fr. Tai
